NORTHWOODS

SUBDIVISION

WELCOME TO NORTHWOODS-----
Tahlequah's newest 56 acre subdivision consisting of park like undisturbed native woods. Located on the North edge of Tahlequah near Northeastern State University and conveniently located near the North Bypass. Engineered with conservation of the natural environment which consists of native hardwoods, oak, pine, dogwood and redbud.

This development has created great excitement with its oversized tree shaded lots. City sewer, water, gas and underground electric are already in place. Restrictive covenants and no through streets help insure a tranquil residential environment in the Tahlequah City Limits. Eliminate the traffic congestion of the South end of town and still have easy access to Hospitals and Shopping plus only 20 miles to the Cherokee Turnpike and Highway 412.

Considering your new DREAM HOME? Select your lot now and purchase at TODAY'S PRICES to ensure that you can live "In the Woods", a unique and natural setting that will be a great place to call HOME.

Proudly Presented by:

Tahlequah Office - 103 Mimosa Lane

Tahlequah, OK 74474
